Special Needs Teachers... your classroom is invited to have a recreation outing at our brand new ALL★STAR PARK, an all-access playground designed to optimize fitness, foster interaction between children of all ages and abilities and provide a whole lot of FUN! While you're there, play a game of baseball, soccer or bowling on our ADA-approved, adapted baseball field. The rubberized surface of the field is perfect for wheelchairs and walkers, making it the ideal place to bring your school group.

Your visit to our field will provide meaningful educational and leisure experiences to fulfill IEP goals. Our field is located in the heart of Myrtle Beach behind the Pepper Geddings Recreation Center off Oak St. at 609 33rd Ave. N.
